Q

Do we need hairnets  
and gloves?

A

No, unless you really like to  
wear them. Because we are  
dealing with already sealed  
product you are good to go.

Q

Do we have a facilitator  
for the event?

A

This event is all you but you  
do have your Hunger Impact  
Coordinator that is on call  
to troubleshoot any issues.

Q

Should we play  
music?

A

Absolutely!!! Pump Up Jam. You  
can play anything you would like  
or ask for the official Replenish  
Foundation Playlist
